LANGUAGES

Swedish - Mother tongue.
English - Fluent in both speech and text.
Danish - Good knowledge in both speech and text.

OTHER MERITS

B - driving licence - Since august 2012.

EDUCATION

Higher vocational education

2020 - Present

Level designer at The Game Assembly in Malmö. Here I've gotten insight into game development, both as a level- and gamedesigner, making games in a multi- disciplinary team. During my time at this school I've also become proficient with Unreal Engine 4 and its visual scripting, Perforce (P4V) and Blender 3D. I've also gained basic knowledge in Unity Game Engine, Tiled and Tortoise: SVN.

Higher education

2015 - 2018

Degree of Bachelor of Science with a main field of study in Media Technology and a focus on Digital Games at Blekinge Institute of Technology in Karlshamn. Here I learned to write academically and wrote my thesis on exploration in games.

Upper Secondary education

2009 - 2012

Social science program with a focus on economics at Nils Fredriksson Utbildning in Svedala.

EMPLOYMENTS

Home care aide within Lunds municipality

2018 - Present

At this job I was charged with not only providing care to patients but also being responsible to various medical aids. This gave me improved interpersonal communication and problemsolving skills as well as experience working in a team.
